### 2024 Registration is open as of Thursday, 1 February 2024

The first 300 to register by **15 February 2024** will receive a free Castelli club jersey; click [here](#) to register now.

Castelli is a European fit so best to measure yourself against the [sizing chart](#) and order accordingly or go to Kamikaze to try on a jersey. Fit kits are available at Kamikaze Bikes, 470 First Street, Collingwood, from 1 – 10 February 2024. Please note that Kamikaze has the fit kits on display as a favour to us so keep the change room tidy and return clothing to the appropriate racks for the next member to try on.

## 2024 Ride Schedule

Check the Club [home page](#) for the list of rides on offer for 2024 with two new rides, note the change in day for some existing rides and skill clinics, from 26-May-24 to 23-Jun-24, led by experienced Club members.

## 2024 Sponsors

We have lost two sponsors but gained two new sponsors being [Greg Manbeck](#) - Royal LePage Signature Realty and [Side Launch Brewing Co.](#) See all the 2024 [sponsors](#).

The Club is very excited to announce a new sponsor Side Launch Brewing Co; we know how important our Club is to many of you, not just for the cycling, but also for the many friendships. We recognize that the social aspect of the Club is as important as the cycling aspect so when our official ride ends, Side Launch welcomes our membership to enjoy their beautiful outdoor area that is right around the corner from our Agnora start/finish location. Beer and non-alcoholic beverages are available as well as Mexican food from the Mamacita food truck.

## 2024 Survey

The Club is always looking to improve on Member experiences so we would very much like to hear your feedback by completing the [survey](#).
