New Strava Club: At the recent Board meeting, it was decided to delete the current Strava Club as too many out of province members or foreigners, as well as non-Members.

A post has already been made in the current Strava Club that it will be deleted towards the end of April 2024; a new private [Strava Club](#) has been setup for 2024 CCC Members only, with activation on 30-Apr-24 i.e. the day before the first official road ride of the season.

If your Strava profile name is not the same as your profile name on the Cycle Club app and/or not easy to recognize, then send an email to the Club advising of your Strava profile name i.e. if you want to join the new private club.

Registered 2024 Members can request to join prior to 1-May-24 but will only be approved on 30-Apr-24.
