The Board would like to present an overview of the key issues raised in the 2024 member survey along with several actionable items. There were 95 responses from a total membership of 425. The Board would also like to thank everyone who took time to complete the survey as there were many valuable comments that the Board will use to help refine our program offerings.

Survey Respondents:

- 55% identified as road and gravel riders, 35% as road-only and 5% as gravel-only
- 30% A-riders, 40% B-riders, 19% C riders, 11% unsure

Ride Structure & Length

Positives:	Areas to Review
<ul style="list-style-type: none"> • Comments on rides & ride organization • Like the Cycle Club app 	<ul style="list-style-type: none"> • Getting back a bit earlier from Saturday rides • Length of coffee stops • Social time after rides • Extra loops for those wanting a longer ride

Actions:

1. Try to offer two options on each ride to address the time and distance concern assuming two RLs per group; one group may have either a shorter coffee stop/or none, and/or if possible, return via a shorter route.
2. Attempt to keep Saturday A rides in the 100 km range.
3. Continue to offer longer rides for A and B groups on long weekends.
4. Add one more Saturday remote ride from the Wasaga area.

Ride Leaders
